DOCKET NO. 2016-384-S

Application of Moore Sewer, Inc. for Adjustment of Rates and Charges

Moore Sewer, Inc. (Moore Sewer or the Company) has filed an Application for Adjustment of Rates and Charges and Modification of Certain Terms and Conditions for the Provision of Collection-Only Sewer Service. The Application was filed pursuant to S.C. Code Ann. §§58-5-240 and S.C. Code Ann. Regs. 103-512.4. Moore Sewer states in its Application that the rate relief requested is justified because rate relief was last granted to Moore Sewer on August 5, 2003. As part of the Company's request for rate relief, Moore Sewer states that its pending request is necessary, in part, for the Company to provide reasonable and adequate service to its customers, cover its expenses, be permitted to earn a reasonable return on its investment, and attract capital for future improvements.

The Company requests that the Commission approve the monthly sewerage collection service charges set forth in the rate schedule attached to the Application by reference as Exhibit A. Also, pursuant to S.C. Code Ann. Regs. 103-503, Moore Sewer proposes to modify certain non-recurring charges, as provided in Exhibit A. Moreover, the Company seeks to collect a flat rate of \$250.00 as a deposit from its customers. Thus, the Company requests that the Commission waive a portion of S.C. Code Ann. Regs. 103-531.1(A), as the Company intends to prove that a flat rate deposit in this amount will assist in minimizing the negative financial consequences of non-payment while ensuring that customers continue to receive reliable service.
